

## Acknowledgments

First and foremost, I would like to honor GOD, our Heavenly Father, for so eloquently gracing us with His Words of Love and Guidance for all Humanity.

In deepest appreciation, I honor Jesus Christ, who first appeared to me in 1969 in Honolulu, Hawaii, for His beautiful introduction and unceasing inspiration.

I gratefully acknowledge the great artists of the past two millenniums who posthumously contributed much of the lovely angelic art.

Each and every day my life is enriched by so very many people whom I have not yet had the opportunity to meet and thank personally, the great minds and hearts that have so richly colored history, as well as the unsung working heroes who give stability to our society and advance our technology. Without You, I could not have accomplished this divine mission. I gratefully acknowledge all You do for me.

Also, I would like to thank the many volunteer light workers who ventured so far from the Central Isle of Paradise and incarnated to undertake this divine mission to enlighten humanity and save this precious Earth. Dear Ones, now is the time to come forth and create Heaven here. So please, join me.

The photograph of I AM ascending was taken in Moloaa Bay during Easter sunrise by Aaron (Aarozz) Goodwin of Evolve Love in Hanalei, Kauai. (I AM did not know she was being photographed at the time.)

Special thanks to: Thomas Emma, professor emeritus, Ventura College, who patiently did his very best to get I AM to follow the rules of English grammar when he proofread her manuscripts; Shannon Dwason, UNCW English Instructor, for final proofing; David (Da) Allison, who transcribed many of God's Words from audio tapes. (Da also received God's thanks directly, when in a sacred ceremony Da was mystically filled with God's light from above as I AM photographed the heavenly event); John (Sydney) Yamane of Hawaiian.net, who rescued the blessed transcriptions of God's sacred Words from a crashed hard drive. (As John held the broken laptop computer to his forehead, he spoke a silent prayer. Then, miraculously, the hard drive worked for the next few minutes until the data could be safely transferred); Computer guru, Dave Ruskjer, who trained I AM in computer and website design and proofread and transcribed God's Words from audio tapes. Ten tapes containing fifteen hours of God's Words mysteriously disappeared from Dave's home. A reward is offered for them. And gratefully, for financial contributions: William W. Bennett II, Jan Quiett, Wendy Winkler, and Craig Maas.

A lifetime of pivotal Spiritual relationships prepared I AM for this monumental mission. The following are some of the Saints who influenced her personally: Babaji, the deathless Yogi-Christ of India, who ventured from his Himalayan mountain retreat in 1977 to Puako Beach, Hawaii for I AM's thirty day Avitar training; Master Omram Michael Ivanhov, head of the Universal Great

White Brotherhood, who in 1979 journeyed from his ashram in southern France to educate I AM for six weeks in Waimanlo Beach, Hawaii; Reverend Cy Hedeman, a pillar of integrity, who in Honolulu, Hawaii, in 1980, instructed I AM in a nine month ministry course in Astral Physics. In 1981 Jesus came to I AM, asking to come through her. In 1982 - 1983, Angels and Celestial Hosts visited I AM and her training continued. In 1984, John the Christ, came from California to the remote Kipahulu Valley on Maui. Unannounced, he turned up on I AM's doorstep, offering his help for several months. While in his presence, I AM heard the Holy Nahad, the divine sound current leading her to experience nirvana. Then, in 1984 Yana Nada Shakti, a lady Yogini, was directed to Hawaii by Swami Satchananda of India. For months, Nada and I AM toned together, blessing the land at Mahina Aina, where she helped I AM to reach the state of Ananda, the ocean of bliss. Soon after, Jesus visited Kipahulu, coming by the name Calky the Christ. For three timeless days he spoke with I AM, assuring her of her mission, and setting her on the course of her own ascension. Swami Hare Hare Ananda, childhood ashram-mate of Paramahansa Yogananda, who in 1985, at 95 years of age, traveled from his ashram in India to Maui, where he conferred Kriya Yoga, the breathless state, upon I AM directly. Master Michelle, of his Buddha Field in West Hollywood, California bestowed the miracle of Shakti upon I AM in 1991. Then, years after he departed I AM's company in Kipahulu, Maui, John the Christ

miraculously sent Mary C. Breckenridge from his Healing Center in Cambria, California to the island of Kauai in 1991, where she helped transcribe and edit I AM's first manuscripts for God's books. During her nine month focus on GOD alone, I AM was visited in spirit by Sai Baba, who, with his verbuti, helped her achieve cosmic consciousness. I AM was also visited in spirit by Saint Germain and his "*I AM Discourses*," Vol.3 appeared upon her altar. In 1992, I AM dreamed the life of Buddha, experiencing his life, even touching the sacred snow leopard. In May 1993, a time when militant Muslim fundamentalist terrorists had declared war on tourists in an effort to destroy Egypt's economy, God directed I AM to venture to the Great Pyramid, so He could speak through her, commanding world peace. Shortly thereafter, peace was established between Israel and Palestine, and soon after, a Peace treaty was also signed in Ireland. In 1994 a Tibetan Lama gave sanctuary to I AM, decreeing her Tibetan Buddhist name, Karma Kunzang Lamo, which means, All Good Goddess. These and many more wonderful teachers of many religions are cronicaled among I AM's miraculous adventures with God in her forthcoming autobiography, "*I AM*."

I appreciate all the people who helped and advised me, but if there are any errors, I take full responsibility for the contents of this book, choosing always to be true to God's Words and His meanings.
